## Remember even more!

Last week, we informed you about how we have been developing and applying memory techniques, to help pupils remember more.

With your child, look at our **SPRING** term list below and:

a) see if they can remember which person links to which card.

b) talk about how the person and the card link.

c) think about how this technique could be used for other parts of the curriculum.

d) check last week's Autumn list to see if names/cards have gone into the long-term memory.

## Rock Star Day!

On Wednesday 19th June, Ladybridge will be having a 'Rockstar Day' to share our love of maths, technology and music combined. As you are aware, children have been using Times Tables Rockstars daily to improve their basic maths skills. We want to continue using this especially as children move into their next year groups. Also, many children at our school have been taking part in rock lessons with Rocksteady too. This day will be the perfect opportunity for your child to get passionate about times tables whilst they dress up as their avatar on the app (or a rockstar in general) and have competitions, beat their own scores and enjoy a rock concert from the children performing. Fancy dress can include a full costume or accessory but please **DO NOT** go out and spend lots of money on a costume. If you have any questions please ask your class teacher. Thank you, Miss Whittingham and Mrs Bendelow (maths leaders)

### Dinner Money

If your child (years 3, 4, 5 and 6) has school dinners, payment is now due. The cost is £7.00 per week or £44.80 up until the end of term. Payment should be made in cash, or cheque payable to 'Ladybridge Primary School'. All money brought into school should be in an envelope and clearly labelled with your child's name, class and what the money is for.

Thank you to everybody who supported the Eid Secrets room, we sold 280 gifts!

### The Weekly Mission, if you choose to accept it!

1) Complete the word of the week challenge.
2) See task on the front page.
3) Go on 'Life' and post your thoughts and ideas.

You can do any or all of these… the choice is yours!

**Next week's word of the week is… Optimism**
