

## Pupil Premium Grant Impact report 2016-17

Funding is made available to schools to help them narrow the attainment gap that still exists between pupils from disadvantaged and more affluent backgrounds (pupils from families who have claimed free school meals are referred to as 'disadvantaged').

Whilst we cannot say that all 'disadvantaged' pupils face the same level of challenge / intensity of barrier, these are some generic or main barriers that our 'disadvantaged' children are more likely to face. These include:

- Acquisition of English.
- Access to academic learning resources, opportunities and experiences outside of school.
- Attendance and punctuality.
- Access to pre-school and early learning resources.

This report will be updated and available on the school website in October 2017.

Number of pupils & pupil premium grant (PPG) received	
Total number of pupils on role (census Oct 2015)	359
Total number of pupils eligible for PPG	95 (27.9 %)
Amount PPG received per pupil	£1320.00
Total amount of PPG received	£125400

### Objectives/focus for spending

Close the gap between 'disadvantaged' pupils and 'others' across all year groups, but specifically:

- Continue to increase the proportion of disadvantaged pupils achieving GLD by the end of Reception;
- Increase the proportion of disadvantaged pupils achieving above age-related expectations in all subjects at the end of each KS;
- Increase end of KS2 progress scores, for 'disadvantaged' pupils, in all subjects by July 2017;
- Majority of disadvantaged pupils to be working within age-related expectations by July 2017;
- Meet floor standards at the end of KS2;
- 'Disadvantaged' pupils to achieve attendance target of 97%.

### Record of PPSG spending by item/project for 2016/17:

Item/Project (and details)	Cost	Objectives	Outcome/Impact
