## 5<sup>th</sup> July 2019

### Primary Futures

#### Can you help?

Next year, as part of our weekly assembly themes, we will be focusing on your children's aspirations and futures. Each week, we'll be discussing different roles, jobs and careers, for example, 'Doodlers, drawers and designers'! And, as part of this we would love you to get involved...

- Perhaps you could attend one of our Monday afternoon assemblies (3.05 – 3.25pm) to talk about your job (eg. the knowledge and skills needed, career path, related jobs, etc.), and take part in a Q&A session with the children?
- Perhaps your child knows what you do, and they'd like to talk about you and your role in assembly?
- Perhaps you have a friend, family member or someone from work who would like to visit school to talk to pupils/classes?
- Any other ideas?
- **Please contact the school office if you are able to help or would like more information.**

We are currently in the process of organising our weekly assembly themes/focus for 2019-20. This will then be sent home in order that you can support this particular aspect of learning.

**Parents...We still have some missing football kits** - During the last year, a number of different children have represented the school in various football tournaments and matches. They have used three different kits:

- Pink shirts, black shorts and socks.
- Blue and white striped shirt, royal blue shorts and socks.
- Blue and yellow striped shirt, royal blue shorts and socks.

Unfortunately, a number of kits have still not been returned. This means that from next year, unless we get kits returned, we won't have enough to participate in any tournaments/matches. If your child has played for the school football team, **PLEASE** check their room, bags, wardrobes and drawers to see if there are any missing kits (and return them to school asap). Thankyou.

Each week, we will focus on work undertaken by a different class. This week, it is the turn of 6B...

It's an exciting time to be in Year 6! With the leavers' assembly just around the corner, rehearsals are in full swing, and oh what fun we are having! The children are working extremely hard to bring you a song-filled performance, full of enthusiasm, and we hope to see you there on the day. Not only that, but we've had sports' day, which was full of competitive spirit

(if not a little cheating on the beanbag balance), and transition days, in which the children are getting their first experience of high school. Phew!

**This year's fabulous Summer Fair raised a whopping £2313.85 for school funds**

(The PTFA still have a decorative ceramic cake stand after the summer fair, if it is yours, please call at the school office for it)

We have two unclaimed raffle prizes so dig out your tickets!

The numbers are orange 128 and 111. Please call at the office to collect your prize.

**KS1 Sports Day**, on Monday 8<sup>th</sup> July at 1.30pm, the PTFA will be holding a refreshments stall. Please remember to bring some money and support us. We will be selling drinks and ice creams. KS2 sports day refreshment stall raised £248 for school funds.

**The PTFA Annual General Meeting will take place on Wednesday 18 September 2019 at 6pm in the Studio – All Welcome.**

You can do any or all of these... the choice is yours!

**Next week's word of the week is... Scientist**

**Please ensure that you update the school office with any changes to your child's details.**
