School Update

5th April 2017

Super Learning Day

'Superare Impedimentum' was our theme for the day. This was a wonderfully positive day in which the whole school came together to 'overcome barriers'. The day enabled children to learn alongside pupils from other classes and with different members of staff. Children took part in lots of different and exciting workshops, including 'Hands that Talk', 'I am Assertive', 'Solutions', 'Wordball', and 'A + B = C'!

It was brilliant to see the children approach each new activity with such enthusiasm, openness and resilience.

We have sent letters home for feedback, and we will also be asking the pupils to evaluate how they think the learning from the Super Learning Day impacts and changes them in the future. May I take this opportunity to wish you and your family a restful holiday.

Class Focus – Lions (RB)

Each week, we focus on work undertaken by a different class. This week, it's the turn of Lions (RB)...

Last week, pupils in Lions have been retelling the story of 'The Runaway Pancake' using different actions to remember the story in the correct order.

We also tossed pancakes and made story maps; we drew a picture for each part of the story to help us to remember as we retell it.

Thank You

Thank you for your wonderful generosity. Following the non-uniform day, we have an amazing selection of Easter Eggs to support tomorrow's Easter Bingo night...
