School Update

8th March 2017

House Captains

I thought it high time I introduced our current House Captains... we have four houses: Emerald, Ruby, Sapphire and Diamond. Each house has two year six representatives who have been chosen to be positive role models for the rest of the school. Each house is represented by a different colour and children can earn points for their house in all sorts of ways, both in and out of school. Each week the points are counted and during Wednesday's assembly individual class house point winner badges are awarded (those that get ten badges receive a coveted gold star). The overall winning house is then announced, and the winners have their colour tied to the house trophy which is on display in the school hall. At the end of each term, the house points are totalled and the members of the winning house celebrate together in the hall during a fun filled morning. No doubt your child has told you all about their hard earned house points!

Ruby House - Shreya and Sa'Oud

Class Focus – 4B

Each week, we focus on work undertaken by a different class. This week, it's the turn of 4B...

As we have been learning about Ancient Greece during our Afternoon Excellence Programme (AEP) lessons, we designed and created our own mosaic tiles for creative week. We looked at different patterns created by the Ancient Greeks, and used these to develop our own ideas.

We really enjoyed making our tiles and are very proud of how amazing they look.

PARENT VIEW

We would like your thoughts on our school, at any time...

You can visit the Parent View website at any time and complete the questionnaire. Parent View is accessed by Ofsted to check how parents feel about the school.

PLEASE
NOTE

Playground Supervision

Both you and your child(ren) are welcome to use our new fitness equipment both before and after school. It is great fun! Please note, however, that it is your responsibility to supervise children in your care. School staff are only available to supervise during the school day.

**Please
