School Update

11th January 2019

Happy Birthday Ladybridge Primary School!

Well done to all those who guessed that it was the school's 50th birthday this week (we had some very interesting guesses...no offence taken!).

Congratulations to Ruby for winning the 50th competition.

So, as it's the school's 50th year, our plan is to arrange a number of events/activities throughout the year. We will be asking the children for their ideas, but if you've got any then please let us know.

Bolton Futsal Tournament – We Won!

On Thursday, 7 of Ladybridge's finest sportsmen and women competed for the coveted Bolton Games Futsal title. A modified form of football, with smaller teams and a smaller ball, Futsal requires quick footwork and great skill. A confident Ladybridge side showed plenty of quick footwork and skill in the opening games of the tournament but goals were hard to come by. Jake, Jay and Jakub snatched vital goals in each of the first 3 games to notch up 2 narrow wins and a draw. As Ladybridge grew in confidence they adopted a sharp, pressing style. Khizar, Mo and Liam formed a strong, no-nonsense backline and the exuberant Shanzay acrobatically saved a number of shots at goal. Going forward the goals began to roll in. Jake added a hatrick, and Liam's marauding obliterated defences. 4 consecutive wins put Ladybridge neck and neck with Egerton at the top of the 9 team league. 2 games to go. The first, a disappointing draw, meant the final game was a must win, and it happened to be against... Egerton. But cometh the hour, cometh the man/woman! When Ladybridge most needed a goal, up popped Mo, who coolly slotted home a close range effort, cueing jubilant celebrations from players and fans (and coach!) – the prestigious Bolton Games Futsal trophy will be proudly displayed in Ladybridge for the next 12 months! **Well done team! Great attitude, great effort**

Each week, we will focus on work undertaken by a different class. This week it is the turn of 6L...

We have finished our wonderful moving vehicles and are moving on to our next challenge. In 6L this half term, we are looking at the question "What's at the heart of the matter?" and we have kick started this topic with learning all about the heart and the circulatory system in our Science lessons. We have included drama, where we have been a red blood cell circulating around our body, and will be linking this with Ancient Egypt in the next couple of weeks.
