School Update

12th July 2017

Year 6 Superstars

As we approach the end of another academic year, we would like to say a huge thank you to our Year 6 helpers, contributors and role models. Every year, we ask our Year 6 pupils to take on a whole range of roles and responsibilities. These include: Prefects, House Captains, Champions of Consistency, Office Helpers, Bench Monitors, First Aiders and Classroom Assistants.

Throughout the year, Year 6 pupils have shown real commitment to carrying out their jobs to the highest standard. These are crucial roles that help ensure school runs smoothly. They are now busy preparing for their Leavers Assembly which takes place this Friday. The Year 6 staff and I are so proud of them all.

Year 6... we will miss you! *Mr Watson, Headteacher*

Reception and KS1 Sports Day is rescheduled for

Thursday, 13th July at 1:30pm

We're sorry we had to cancel yesterday's Sports Day. It is rescheduled for tomorrow (weather permitting!); a text message will be sent out if we have to cancel. Please remember to pack your child's PE kit. Come along and show your support!

Summer Fair

A massive thank you to all those families who contributed towards the incredible success of the Summer Fair. Thank you to those who gave up their time to set-up, organise and run the stalls; to all those who provided chocolates, sweets and bottles, plus all sorts of prizes; and, thank you to those who came and spent their money. Next week we will announce what we raised.

Attendance Matters

School Attendance Target = 97%

Actual Attendance - For week ending 07/07/17:

96.29% 

Due to term time holidays!

Classes with the best attendance:

Polar Bears (2L) and 6B = 100% 

Most punctual class:

Penguins (2B) = 100% 

Class Focus – Penguins (2B)

Each week, we focus on work undertaken by a different class. This week, it's the turn of Penguins (2B)...

This week, Penguins have been busy reviewing their last five weeks of learning. We have been using technology to research facts about other continents, and creating group mind maps. We have really enjoyed making paper sculptures using hot and cold colours, which reflect the contrasting climates of Antarctica and Africa.
