School Update

19th July 2017

Explore. Discover. Learn...

As part of our comprehensive curriculum, we place great importance on trips outside of school to broaden our pupils' learning experience; and what amazing fun they are too! Just recently, Reception pupils have been to the Blue Planet Aquarium to learn about creatures 'under the sea' – they loved the sharks and stroked a star fish! Year 5 pupils have been on a week's course of intensive swimming lessons, and Year 6 pupils have been to the cinema to watch 'Despicable Me 3', a justly deserved end of year (and primary school) treat. To round off this term, Year 1 pupils are off to Formby

Beach to extend their educational investigation of our shoreline and their history topic, all about travel.

Explore. Discover. Learn...

Ladybridge's pupils have certainly had a busy and successful year achieving all three of these goals!

May I wish you well over the summer holiday; I look forward to seeing everyone refreshed and ready for a new term on September 6th.

Attendance Matters

School Attendance Target = 97%

Actual Attendance - For week ending 14/07/17:

93.41% 😊

Due to term time holidays!

Classes with the best attendance:

Kangaroos (1L) and Koalas (1B) = 100% 😊

Most punctual class:

Penguins (2B) = 100% 😊

Class Focus – 3B

Each week, we focus on work undertaken by a different class. This week, it's the turn of 3B...

This term, pupils in 3B have been learning all about dinosaurs. We have created our own Dinosaur Database, "The Dinopaedia", in computing; modelled our own dinosaurs out of plasticine to star in their own fable; built our own T Rex out of fossilised bones and used different hardness of pencils to sketch a triceratops.

Terrific News!

We raised an amazing **£2,326.10** at the Summer Fair. Thank you for supporting our events this year; helping us raise vital funds to benefit every pupil.

We do hope so! It's been chosen to reflect the array of 'magical' activities on offer to children attending our Breakfast Club and new After School Club, starting in September.
