# Breakfast Club

The start of the summer term saw the launch of our brand new Breakfast Club, and it's getting the thumbs up from our pupils. With a wide choice of indoor and outdoor activities, including air hockey, computing, cycling, ball games, painting, drawing, board games... there's more than enough to keep everyone entertained and it's been smiles all round. A wide selection of cereals, toast, fruit, yoghurt, fruit juice and milk to choose from, appeals to every taste and the hearty breakfast sets the children up for the busy day ahead. There are still some places available (remember the club is free for its first year of operation); please contact the office staff for more details.

## Class Focus – 5L

Each week, we focus on work undertaken by a different class. This week, it's the turn of 5L...

Pupils in 5L and 5B have been reading about Annie Edson Taylor, the first woman to go over, and survive, Niagara Falls. Annie's theory was that if an egg in a tin can could survive being dropped, then she could survive the falls in a barrel! 5L and 5B came up with some ingenious ways to protect an egg being dropped from a great height. They could only use: newspaper, yarn, half a plastic bag and sticky tape. Seven eggs survived! The rest had a cracking time!

### Egg Bingo Night Success!

Thanks for all the support at our Easter Egg Family Bingo night. It was terrific fun and Mrs Gavin was a great bingo caller.

We raised a whopping £690.74!

### Congratulations Emerald – House Point Winners

Last term's House Point winners were 'Emerald', with a huge 3012 points. House members enjoyed a fun filled party to celebrate their win!

↑ Eyes down for bingo

### Community Spirit...

Year 5 girls Kaitlyn, Karishma, Manisha, Safaa and Ayesha all played a part in raising an amazing £49.64 at their charity sale. This money will go to a local animal charity. They showed true business skills, stocking, setting up and selling good as new toys, clothes and books at their sale.

### Manchester City in the Community

This week the whole school met Bernard Halford, Manchester City's Life President. He brought along two magnificent football trophies to show the children.

Our KS1 Manchester City Sports Clubs are very popular. We were delighted to receive a fantastic robotics kit from the club to support our pupils' learning.
