School Update

29th March 2018

Holiday Checklist

After a very busy term, I am sure you and your family are looking forward to the holidays... time for rest, relaxation, reading and review!

Holidays are an ideal opportunity for children to break away from their 'screens' and explore the great outdoors; simple pleasures such as walks in the park, playing games and riding bikes, are terrific learning opportunities. It's also a time for children to find time to think about their studies.... It's important that during any school holidays, your child finds time to:

- ✓ **Relax (and play).**
- ✓ **Rest (including sleep).**
- ✓ **Read (every day).**
- ✓ **Review (their learning).**
 - What can they remember?
 - Can they show you what they've been learning in maths and writing?
 - What was their favourite thing this term?
 - What do they need to practise?

Best wishes for a relaxing Easter break. The teaching staff and I look forward to seeing everyone back, relaxed and refreshed on Monday, the 16th April. **Mr Watson, Headteacher**

Class Focus: Lions (1B)

Each week, we will focus on work undertaken by a different class. This week it is the turn of Lions (1B)...

This week, 1B have been getting ready for our year group assembly. We've been busy learning lots of lines and rehearsing our cues. We really enjoyed learning all of the songs and dancing to them. We have learned lots this term in history, geography, English and maths, and enjoyed showing all our knowledge and skills off. Some of us were a little nervous about getting up in front of all the parents and the whole school, but we all showed great bravery and resilience and put on a FANTASTIC assembly.

Funds Raised

We raised an incredible £668 at the Family Easter Bingo night. A huge thank you to everyone who supported this event.
