We have recently been looking at our school website to see if it's easy enough to find the things you need. But, we need your thoughts ...

So, please take 5 minutes to go and visit our website (www.ladybridgeprimaryschool.co.uk), and let us know what you think about each of the questions below. Please answer each question and if you return your answers to school by Friday 24 January (9.30am), we'll enter you into a prize draw in Friday's assembly.

1. Can you find the things you need **quickly** enough?

2. What do you **not like** about the website?

3. What do you **like** about the website?

4. Is it easy enough to **read** and **understand**?

5. What would you like us to **add/change**?

Child's Name _____ Class _____

Please either write your answers above, or fill in a form that is available from the school office.

Please return your response to the school before 9.30am on Friday 24 January. Thank you.

Mad Science After School Club

Mad Science came into school last week to deliver a wonderful Science Show! They are now offering a Mad Science After School club on Wednesdays. The deadline for registrations has been extended to Wednesday 22 January. Parents can register children online at <https://northengland.madscience.org/>

ClassDojo

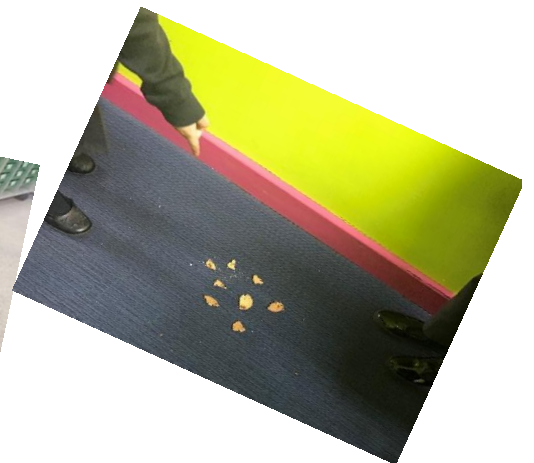

Thank you to all those families who have already signed up to ClassDojo! If you've not yet done so, or you didn't receive the letter (06.01.20) from your child, then please speak to your child's class teacher ASAP.

Q: Now that school has introduced dojo points, do the children still get house points?

A: Yes. For the next two terms, we will run both house points and dojo points alongside each other, which pupils will get awarded simultaneously. We are keen to keep the house points system as it links to the whole school trophy, which has had a very positive impact. However, we will review this during the summer term.

Each week, we focus on work undertaken by a different class. This week, it was the turn of Reception.. It has been such an exciting week in Reception class! We have been reading 'The Gingerbread Man' in our Literacy lessons, and we made our very own Gingerbread Men. However, some of them came to life and jumped out of the oven! We had to follow the clues around school to see if we could find them. They had left flour in the hall, raisins outside Mr Watson's office and crumbs outside the Year 4 classroom, and we STILL haven't found them, so our search continues ...

Reminder that the next PTFA meeting will go ahead in The Studio at school on Wednesday 22 January at 6pm - everyone welcome.

If you have any unwanted Christmas gifts that you could donate to the PTFA, we would be very grateful if you could please drop these into the office, ready for us to collect. Thank you.

Cash Payments to School

Please be reminded that it is very important for correct money to be sent in to school for trips and snack etc. It is very difficult and time-consuming for the office staff to find change, particularly for a large number of parents/carers. Also, when payments are sent in for dinner money, the full amount sent into school will be put onto the child's account, even if this results in a 'forward payment' being put on.

Are you 'assembly' ready?

- 1) The theme for next week is 'Transporters'.
- 2) Can you think of any synonyms for our theme?
- 3) Talk about the sorts of jobs that you think the theme includes?
- 4) Go on 'Life' and post your thoughts and ideas.
