Matters; Be in School All
Day, Every Day**

Homework Help!

As you know, we have recently changed our half-termly homework tasks so that they are all linked to the subject organisers. However, we've heard that some parents are struggling to think of activities that they can do. So, here are some ideas that you might like to try, to help your child remember and recall their learning (linked to their subject organisers):

- Make a model
- Create a poster or PowerPoint presentation
- Research: create an A-Z of facts or create a fact-file
- Create a wordsearch
- Draw and/or label a diagram, scene or object
- Write a diary or story
- Create a mindmap or recreate the subject organiser from memory
- Conduct an experiment
- Visit and take photographs

Your child MUST :	OPTIONAL or EXTRA HOMEWORK :
<p>RECEPTION:</p> <ul style="list-style-type: none"> - Read every day. - Practise the sounds that have been given. - Complete 4 activities (linked to the subject organisers – see ideas above). 	<p>Complete more than 4 activities linked to the subject organisers (per half-term).</p>
<p>YEARS 1-2:</p> <ul style="list-style-type: none"> - Read every day. - Learn 10-15 spellings a week. - Complete 4 activities (linked to the subject organisers – see ideas above). 	<p>Practise other spellings on 'spelling shed' </p> <p>Complete more than 4 activities linked to the subject organisers (per half-term).</p> <p>Practise x tables on TT Rock Stars </p> <p>Practise maths on 'doodlemaths' </p>
<p>YEARS 3-6:</p> <ul style="list-style-type: none"> - Read every day. - Learn 5 spellings a week. - Complete 4 activities (linked to the subject organisers – see ideas above). 	<p>Practise other spellings on 'spelling shed' </p> <p>Practise reading comprehension on 'Read Theory' </p> <p>Complete more than four activities linked to the subject organisers (per half-term).</p> <p>Practise x tables on 'TT Rock stars' </p> <p>Practise maths on 'my maths' </p>

Your child's logon information should be in their planner. If it is not, then please ask them speak to their class teacher.

Can My Child Stay In At Break/Lunch?

No. Because of the recent cold weather, we have received a number of requests for children to stay inside at break/lunch. Unfortunately, we are unable to supervise pupils inside during break and lunchtime, as this is an important time for staff to collect resources, prepare lessons, mark books, speak with colleagues, have a break, etc. Colds are a virus and therefore children can't catch a cold from being outside! If you feel your child isn't well enough to go outside at break, then they aren't well enough to be in school.

Parents' Evenings
(12 and 13 February)

Reminder that the online system for booking parents' evening appointments is now open. Instructions on how to book online were sent home last week. Slots are filling up quickly - please make your appointments as soon as you can.

Last Thursday, six Year 3 children were invited to go and watch the Junior Tennis European Tour at Bolton Arena. Former winners have included Andy Murray, Caroline Wozniaki and Cory Gauff. We watched two incredible semi-finals, both involving promising British players before being put through our paces on the court by a coach. We even had a chance to ask some of the American players our questions. Their dedication and hard work - training 5 hours every day - was inspirational, as was their talent on the court! Perhaps one of us will become the next Andy Murray!

Each week, we focus on work undertaken by a different class. This week, it was the turn of 1L ... Two weeks ago, we planted some magic seeds, which grew into dinosaur eggs! The missing T-Rex found its way into our classroom and broke the roof! Dr Fossil captured the T-Rex and took him to a dino sanctuary, phew! This week, we have been busy writing newspaper reports about our amazing dino discovery!

NUT ALLERGIES

Nut allergies can be life threatening.

- Do not give your child anything to bring to school that contains nuts.
- Always read food labels and packaging to check for nuts (before adding it to your child's lunch or snack).
- Please check that your child doesn't put anything in their bag for school that contains nuts.

NO Chewing Gum

Please be reminded that chewing gum is NOT allowed in school.

Are you 'assembly' ready?

- 1) The theme for next week is 'Rescue'.
- 2) Can you think of any synonyms for our theme?
- 3) Talk about the sorts of jobs that you think the theme includes?
- 4) Go on 'Life' and post your thoughts and ideas.
